At the World Bowls Tour 2010 Awards Dinner he was awarded the 'Lifetime Achievement' Award. As England's most decorated and distinguished player and now also awarded the MBE Andy has risen to 4th place on the WBT ranking list for the 2013-14 season.

Classed as the 'Statesman for the Sport' Andy Thomson started at the age of 13, having been persuaded by his father to take up the sport, Andy says that the best ever advice he was given was to 'stay calm and focused', advice that he has retained to this very day.
